**From Product Concept Mfg., Inc. : Make It in a Muffin Tin** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make It in a Muffin Tin:

3 of 3 people found the following review helpful. This is a great little book By Betty Parr This is a great little book, with lots of great recipes that can be adapted to a muffin tin - which is easier to serve and to eat also. And for a single person, or family with just two, this works out great. Please with 'left-overs' much easier to put away and also, great for taking in lunches to work. 0 of 0 people found the following review helpful. The recipes are simplistic and basically useless. Save your money By CustomerWish I could give it less than one star. This is a tiny, 40-50 page booklet.

Maybe 4" x 6 ". Not a book. The recipes are simplistic and basically useless. Save your money. You can find better recipes for free on the internet. 2 of 2 people found the following review helpful. Muffin Tin Recipe Book By hrh48 Bought this for the grand kids. They like to experiment. As well as trying something different, the recipes help guide them to invent their own versions.

So-simple and so creative! Your muffin tin becomes a solution to all kinds of appetizers, breakfasts, main dishes, desserts, and more! You'll find how easy it is to layer tortillas with Mexican fixings for a great zingy snack: just pour eggs and special ingredients in and "snap"- quickie quiche; a little cookie dough in a muffin tin takes on kinds of possibilities; plus all kinds of clever tricks to make impressive treats. Oh, and for people with different tastes, you can customize each muffin cup, so feel free, build your own customized mini pizzas, and satisfy everyone!
