before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Your Own Dog Biscuits: 50 cookie recipes for your four-legged friend:

2 of 2 people found the following review helpful. Looks interesting but doesn't translate well. By Zdragonlady. Not easy to use in USA. Measurements are by weight in grams. Oven temps are in centigrade. Some ingredients ar not translatable even with a dictionary. May still give some good ideas if you can convert them. Editors should have included conversion tables and comparable ingredients list if they wanted to sell it in USA.
