**William J. Mares : Making Beer** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Making Beer:

1 of 1 people found the following review helpful. Get ahead of the home brewing learning curve! By Cason Cherry Really enjoyed William Mares' insights into the industry and experiences in home brewing! A good book to get you ahead of the learning curve. 0 of 0 people found the following review helpful. A nice enjoyable read By macs A nice enjoyable read...but not really the right book for people looking for useable details such as recipes and the procedures of home brewing. 0 of 0 people found the following review helpful. A must read for those who want to open a brewery By clertsakdadet I'm at the point where I really want to get serious in the craft brewing business and this book gave me exactly what I needed to think about. This book is also full of perceptive insights into the American craft beer industry.

A former dark-ale champion of Vermont shares his recipes, reveals his secrets, and introduces readers to an entire community of beer connoisseurs, in a comprehensive guide to preparing and bottling first-class porters, stouts, ales, and lagers, at home and on the cheap. Illustrations.

From the Inside FlapA former dark-ale champion of Vermont shares his recipes, reveals his secrets, and introduces readers to an entire community of beer connoisseurs, in a comprehensive guide to preparing and bottling first-class porters, stouts, ales, and lagers, at home and on the cheap. Illustrations.
