Lori Stahl : Making Your Own Wine at Home: Creative Recipes for Making Grape, Fruit, and Herb Wines before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Your Own Wine at Home: Creative Recipes for Making Grape, Fruit, and Herb Wines:

2 of 3 people found the following review helpful. Intoxicating!By Adelbert MontanaWhat a beautiful book this is! Gorgeous photographs, plus all the info you need to start making your own wine at home. And who knew that you could make Apple Wine, Kiwi Wine and other unusual fruit wines? I've tasted some of the creations by the author and they are delicious. A must read for anyone who loves fine wine! Five stars!

If you've been thinking of trying your hand at home winemaking, delay no longer! Itr'squo;s easier than you think to make wonderful wine at home. Get started today with this practical guide to making your first bottle of perfect homemade wine.Author Lori Stahl demystifies essential winemaking techniques with friendly, jargon-free instructions

and gorgeous color photography. She begins by taking you step by step through making wine from a kit, and then shows you how to go beyond the kit with creative additions. Soon you'll be making your own flavorful wine from fresh grapes, apples, berries, and even flowers and herbs. This home winemaking companion offers a wide selection of seasonal winemaking recipes, new twists on traditional favorites, and sweet ways to enjoy and indulge in the wines you create. Even if you have never made wine before, *Making Your Own Wine at Home* will show you everything you need to master an intriguing and rewarding new hobby.

From the Inside Flap: "As the last drops were being sipped, a guest, savoring preciously every fragrance, said with unaffected humility: 'When I drink wines such as these, I ask myself what merit I have acquired that I should be allowed to experience such beauty.'"; H. Warner Allen
