**Mary Sia : Mary Sia's Chinese Cookbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mary Sia's Chinese Cookbook:

3 of 4 people found the following review helpful. My Teacher, Mary Li SiaBy Diane HeisterkampMrs. Sia was my chinese cooking teacher at the Honolulu Y. in 1958. She was a wonderful teacher and we all adored and respected her. Interestingly, Mrs. James Michener( I think her name was Mariko) was studying with us. Our teacher would take us on field trips to noodle factories, grocery stores and a big restaurant Wo Fat's. I have used this book almost exclusively and want to purchase copies for my daughters and daughters-in-law.I highly recommend this book as easy to read and follow with delicious results.2 of 2 people found the following review helpful. MARY SIA'S CHINESE COOKBOOKBy penelopeHow nice to read another student's rerview. The author was a very fine teacher, but by 1960 the class syayed at the Y with no field trips. We learned from an expert cook and my family enjoyed home-cooked Chinese food because of her fine technique. It IS a GOOD cookbook.

The easy-to-follow directions for 300 Chinese dishes requiring only readily available ingredients are enhanced by an informative background on Chinese cookery and lively bits of Oriental lore, custom, and ceremony.
