He especially liked the fact that it was all MA based, local and an easy drive to get to.1 of 1 people found the following review helpful. ExcellentBy sternforpresThe Western Mass entries are spot on, so I would assume that the rest of the book is as accurate as well. Good read and companion for a brewery

Just as the Pilgrim fathers brewed their first batches of beer in Massachusetts, so too were Massachusetts brewing pioneers in the forefront of the craft brewing revolution. With this guidebook in hand, you can embark on a rich treasure trail reflecting the true state of American craft brewing in the early twenty-first century. --Tony Forder, Publisher, Ale Street NewsThe definitive guide to Massachusetts's 46 breweries and brewpubsTypes of beer brewed at each site and the author's pick of the best beer to tryInformation on tours, takeout, and food for each brewery

Writing that's accurate as well as lively and entertaining. It reads well, and it reads right " - Lew Bryson
