2 of 2 people found the following review helpful. Fabulous Book!!!!By UshiwakameruThis is my most used and very, very well-used cookbook. Having lived in Hong Kong and Taiwan I can vouch for the authenticity of the recipes. Instructions are thorough and easy to follow. This is one fantastic cookbook! I can't say enough good things about it! I could go on forever with superlatives. If you're going to have just one Chinese cookbook on your shelf, this is it!

Great Buy!
