Jenny Kdoshim, Debbie Bevans : Matza 101: An Innovative Cookbook Containing 101 Creative Recipes Simply Made with Matza before purchasing it in order to gage whether or not it would be worth my time, and all praised Matza 101: An Innovative Cookbook Containing 101 Creative Recipes Simply Made with Matza:

0 of 0 people found the following review helpful. This is a very good cookbook to have in your cookbook collection.
By Jacqueline Strand
This is a very good cookbook to have in your cookbook collection. The ideas and recipes are doable for any cook and the explanations and pictures are very easy to understand and follow. I love the construction and inclusion of the spiral binding also. I've tried many of the recipes and have not found any that I did not like. They are also written in such a way that they inspire additional ideas and modifications.

If you want matza recipes, this is for you. I love matza, so this book has great recipes using these flat, non-yeast crackers.
