TIP: the first time you make a recipe; follow it exactly ... do not make substitutions. If it says butter don't substitute oleo then wonder why it doesn't taste really good.If you want to really know if this book is for you, go to your local library. If they don't have a copy there is always the option of the Inter-Library Loan procedure (books usually take about 3 weeks to arrive). I almost always preview books from the library before purchasing ... it has saved a lot of disappointment.0 of 0 people found the following review helpful. and they have all been great. I have always loved coffee dessertsBy Rainy RooI have made about 5 different recipes from this book, and they have all been great. I have always loved coffee desserts, and this book really delivers some great ones! They are also easy to prepare, and they don't take too much time to make. I highly recommend it.0 of 0 people found the following review helpful. Outside the BoxBy IanneWonderful book if you like coffee, and get together with other coffee connoisseurs. Beside coffee drinks there are desserts, coffee cakes, ice cream, and an assortment of coffee infused recipes to make any coffee klatch special. It's a worthy rival to any teatime recipe cookbooks.
