**Andrew Webb : Meat Manual: From steaks to roasts, sausages to casseroles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Meat Manual: From steaks to roasts, sausages to casseroles:

From steaks to roasts, sausages to casseroles, the Meat Manual tells you all you need to know about sourcing, cooking, and serving great British meat. Learn all the different cuts of beef, pork, lamb and chicken, as well as major types of game. The manual includes step-by-step guides for making your own sausages and burgers, as well as advice on cooking the perfect steaks. Of course great meat needs accompaniments, so there's tips on making the perfect gravy for the Sunday roast, 'slaw for burgers, and chips for steaks, as well as a detailed guide to using leftovers and making stock.

About the Author Andrew Webb is author of the Haynes Pie Manual and Haynes Baking Manual.
