They recommended also buying this wonderful book: "Meatloaf". Quick supper meatloaf is now WOW!! Our favorites include (pg 51) "Bloody Mary Meatloaf" made with bottled mix for the meatloaf and a red sauce. Also (pg 37) "Meatloaf with Horseradish Crumb Topping". One hundred pages of recipes; only slow-down is which to try next. By the way, the deep meatloaf pans I use remove fat that weighs about 15% of total mix weight. Yet taste is great. I prep/bake a dozen meatloafs at a time for the freezer, using a few recipes. None ever is an ancient recipe not from this Meatloaf book.0 of 0 people found the following review helpful. I downloaded it when I forgot to pack after promising my nephew his favorite meal. I was not disappointedBy CustomerI have this in hardcover and ebook. I downloaded it when I forgot to pack after promising my nephew his favorite meal. I was not disappointed. I am very glad I have both formats. The recipes are easy moist and delicious. Often I've heard "this is better than grill 23".I'm also happy because the recipes are easy to modify to fit the tastes of your diners. I use it once a week in the colder months.9 of 9 people found the following

This cookbook advances that cause, and will add many more to ones collection, as it has to mine and other reviewers.She has a full ethnic offering, including Italian, Mexican, Morrocan, Mediterranean, etc. There are differing meats and binders and seasonings, etc. to provide a fine, full sweep of options. I especially enjoyed as did my guests the Reunion offering with its Greek and Italian flavorings.The colored photos are nice as are the intro and side dishes suggested as well.This is a useful work to the meatloaf nation that we are.

Everyone loves meatloaf. It's the ultimate in homey comfort food, easy to make and, with a fluffy mound of mashed potatoes and some gravy, about as close to heaven as a meal can get. Maryana Vollstedt, author of such comforting favorites as Big Book of Casseroles and Big Book of Easy Suppers, presents her favorite recipes, including a classic loaf using a mixture of ground beef and sausage; a lively version with a horseradish-crumbs topping; and an Asian-style meatloaf with a hoisin-soy sauce (and a spicy touch of wasabi for more adventurous folks). Others showcase poultry, lamb, or fish and there are also vegetarian selections. Recipes for the perfect side dish accompaniment round out this satisfying book.
