**Joyce Jeffries : Meet the Baker (People Around Town (Paperback))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Meet the Baker (People Around Town (Paperback)):

0 of 1 people found the following review helpful. Five Stars By PamelaGoes great with my Community Helper Unit.

How a baker makes the breads, pies, and cakes that we love to eat is revealed through fun, engaging text. Beginning readers get an enjoyable and educational look at the work that bakers do every day including mixing the batter and slicing the bread. Readers are introduced to the tools bakers need to do their jobs, and a picture glossary helps develop a stronger vocabulary. Bright photographs show bakers hard at work making delicious treats.
