Five StarsBy Denise CampLoved the recipes1 of 1 people found the following review helpful. The book with recipes alone would have been great to haveBy Judy M.I've had the pleasure of staying at the Open Hearth Inn, definitely a return customer for many reasons, not the least of which are the marvelous muffins! The book with recipes alone would have been great to have, but to also have the interesting, funny, and well-written stories

of the origin of Susan Starr's muffin expertise is a special delight. This book is a great gift for all who love BB's and especially those in Maine - the first cookbook I couldn't put down!

If you have even once thought about running an inn, first read *Memoirs of a Mad Innkeeper: The Muffin Recipes Revealed*. The joys are many, but the unimaginable challenges and pitfalls are waiting to spring when least expected. There is more to this hospitality art than can possibly be imagined. On the up side, though, the muffin recipes are fully revealed as the best of breakfast comfort food: One hundred percent homemade, each easy-to-follow recipe is overflowing with flavor, fresh ingredients, and mouthwatering gourmet quality. Whether you serve them as breakfast bread or as dessert, the baker in you will want to try them all.
