**Alex Hoffler, Stacey O'Gorman : Meringue Girls Cookbook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Meringue Girls Cookbook:

1 of 1 people found the following review helpful. It's a very interesting book. By rathwulf I'm a Meringue Lover, and I do think this book deserves praise, because it is giving a old school and old fashion pastry a good whip (literally) and required update. Some recipes are quite interesting in their simplicity (meringue with honeycomb, why didn't I thought about it). I would have liked an in-depth review of all kind of meringues (Swiss and Italian are covered) but I think this book needed an extra extra kick in it, also the review of oven study because meringues are so heat determined. The meringue girls mixture is a new interesting way to making meringue although I think it a bit messy other cooks have other methods of whipping meringue and making the sugar dissolve completely, in the end I think it depends on your style, French, Swiss, Meringue, Italian all depend mostly on what you want to achieve and how easy you want it. Overall it is a very interesting book. If you really want to explore what limits you can achieve by making

meringue. BTW I think this book really would improve by adding more videos on the recipes. 0 of 0 people found the following review helpful. sweetest reading ever By KatIt was a joy to turn every single page! Can't wait to try some of the recipes. Wonderful book for meringue lovers.

Cute candy-stripe meringue kisses in delectable flavours. This is a jewel box of a book: cute candy-stripe meringue kisses in delectable flavours from pistachio rosewater to black sesame. The Meringue Girls are making meringues cool again. Gluten-free, easy to make, mallowy in the middle -- their meringue kisses put a new spin on a classic confection. Their foolproof recipes make beautiful meringues perfect for bite-size treats, gifts or parties. Chapters include: Tips/techniques/flavours/colours -- for perfect meringue kisses; Recipes to use with kisses from Eton Mess to Amaretto Trifle; from wedding tiers to kids' recipes; Summery deserts like Meringue Ice-Cream; Wintery puddings like Crumble with Cinammon Meringue; Gift ideas: hearts, Halloween, Christmas and more; Using your yolks: ice-cream, curd and custard The book will be a visual feast in the signature Meringue Girls style.

"Naughty, but very, very nice - these recipes are what dreams are made of" \* Jamie Oliver \* "Filled with dazzlingly colourful and delicious recipes" \* Grazia \* "This book is replete with rainbow colours and delightfully silly twists on the classic meringue. With seasonal recipes, gift ideas and even interactive content, thanks to the book's use of augmented reality, it is an injection of fun into your kitchen. Expect to wow the kids with the strawberry meringue ice lollies or meringue alphabet letters" -- Marie-Claire Chappet \* Financial Times \* "The Meringue Girls' Cookbook is intended to - finally! - consign the cupcake to the dustbin, and it's authored by Alex Hoffler and Stacey O'Gorman, of London, who supply Harvey Nichols, Selfridges and Jamie Oliver" -- Cate Devine \* Herald Scotland \* "With this Meringue Girls Cookbook, you can follow simple instructions to make your own meringues for indulgent dinner parties or for gifts - for adults as well as for gifts" \* My Fashion Connect \* About the Author@meringue\_girls. THE MERINGUE GIRLS, aka Alex and Stacey, are young, bubbly and very promotable. Both trained chefs, they met in a small restaurant kitchen in Hackney where they also live (Stacey is originally from Auckland). They supply Harvey Nicholls and are in discussion with WholeFoods and Selfridges. They do streetfood events like KERB, WeFeast, Jamie's Christmas Market. They supply loads of fashion and foodie events. Their fans include Moro. They were contestants on Gizzi Erskine's cookery show 'Cooks to Market' which airs next year and won their round.
