**Annette Yates : Microwave Recipes for One (Right Way S)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Microwave Recipes for One (Right Way S):

3 of 3 people found the following review helpful. Yummy recipes for when you dine aloneBy Kindle CustomerOink.Seriously, this is a great resource for students, travelers and anyone who sometimes eats alone. After all, the microwave is the most efficient cooking equipment in most kitchens.And the recipes are easy and delicious.0

By Customer  
This book is difficult for an American to understand. I have no idea what some of the terms mean. I have lived in several States and traveled a great deal. Still this book is difficult for me to understand.

By Gerald D. Cline Jr.  
Good recipes....

The microwave has many advantages over conventional cooking: it's quicker, more economical, cleaner and easier. Microwave ovens take up very little space. This book is useful to the person who lives alone. It includes recipes for breakfasts; soups, starters and sauces; fish, meat, poultry, vegetable, cheese, egg and pasta dishes; and desserts.

About the Author  
Annette Yates is the author of numerous Right Way bestsellers, including Microwave Cooking Properly Explained, Microwave Cooking Times at a Glance, Microwave Recipes for One, Fresh Bread in the Morning from Your Bread Machine, Steaming - with Recipes, Slow Cooking: Best New Recipes, The Blender Book, Super Soups Sauces and Ice Cream Made Easy.
