This was written for the European market and the measurements don't translate. Also, after touting this as the best homemade mince, never use store bought again. . .they didn't give the recipe for the mince in the recipe! Same for the beef mince. Never did find that. So they either need to start with a section with basic mince recipes that can be referenced or they need to put the needed recipes in each recipe.This was too much work trying to find and figure out what was going on.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerLove it!3 of 7 people found the following review helpful. Not all in American measurementsBy LindahSome of the pies sounded wonderful until I read the ingredients list. They where not in American measurements. When I want to make a pie I don't have the time to convert grams to cups, etc. I probably will never use this books.

Holidays just wouldn't be the same without a sweet mince pie. After you make this homemade mincemeat recipe packed with dried fruits and warming winter spices you will never want to buy it premade in the shop again. Rich in British food culture and history, this seasonal treat dates back to the 16th century. A mince pie is a sweet fruit pie made in individual sizes. We have collected the most delicious and best selling recipes from a round the world. Enjoy!
