Walt McCrae : Moonshine 101: The Definitive Beginner's Guide to Moonshine Distilling before purchasing it in order to gage whether or not it would be worth my time, and all praised Moonshine 101: The Definitive Beginner's Guide to Moonshine Distilling:

4 of 4 people found the following review helpful. Not worth the money!By JordanFor the price of this book, I would have expected much more. This is nothing more than a pamphlet.5 of 5 people found the following review helpful.

This "book" is a worthless piece of junk! It's ...By david w. puzaThis "book" is a worthless piece of junk! It's so basic it cannot be called "101". This an attempt by the author to make a few fast bucks and get out of town because it will not receive any positive reviews.3 of 3 people found the following review helpful. This was not worth the money or the wait to ...By CustomerThis was not worth the money or the wait to get, what turned out to be an article, not a book. One can learn much more by online research. The author should be ashamed.

Moonshine 101 This book will tackle about moonshine distilling, the process involved, some recipes you might want to try, and all other things that you might need in order to do the process safely and successfully. Let's get started! - Walt Chapter 1 ndash; What is Moonshine Distillation?
