By Bechal got this as a gift for my mother and she is in love. There are tons of great and easy recipes in the book and it has a little history lesson as well! The binding is wire, but the cover goes all the way around so the wire won't be easily crushed. Very nice looking book and a great cocktail recipe book to have on hand for your clear

A True Piece of Americana By JaneAnn Page I bought as a gift but was immediately 'hooked' upon it's arrival. Beautifully presented with colorful photos, unique cocktail recipes intriguing history during the prohibition. Would highly recommend I don't drink cocktails. 0 of 1 people found the following review helpful. for my son By Customer Christmas Gift

Discover the secret world of moonshine cocktails. Fire up the still or snag some hooch and get mixing. It's time to discover the world of moonshine cocktails. Always infamous and often outlawed, moonshine is a high-proof distilled spirit, generally produced by home distillers, most often from corn mash. Corn whiskey is too intense for many and is extremely high in alcohol, making it a difficult drink to imbibe. Now more popular than ever due to its reputation, more and more people are turning to this inexpensive alcohol. Some folks are even making Tennessee white whiskey in their home distilleries. But how do you drink it, other than doing straight shots? An army of mixologists and bartenders, as well as distillers, have started providing an avalanche of cocktails to try make things with this colorless, odorless, high-octane spirit. And we've got the best right here. From the big-bad cocktail expert himself, Paul Knorr, comes Moonshine Cocktails. Learn how to take good ole white lightning and turn it into delicious, tasty mixed drinks.
