**Joseph Earl Dabney : More Mountain Spirits: The Continuing Chronicle of Moonshine Life and Corn Whiskey, Wines, Ciders Beers in America's Appalachians** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Mountain Spirits: The Continuing Chronicle of Moonshine Life and

## Corn Whiskey, Wines, Ciders Beers in America's Appalachians:

1 of 1 people found the following review helpful. Interesting GiftBy PatienceTI bought this items as a gift for my father along with "Mountain Spirits". He has absolutely loved reading more about moonshining. These books also have diagrams and pictures which help to illustrate exactly what the author is trying to convey which make it easy to follow and very informative.2 of 2 people found the following review helpful. True,No Frills storytelling.By Larry NicholsonIf you're curious about the prohibition days or just want a look into lots of un-related facets of life from that time read Mountain Spirits and then More Mountain Spirit.Funny,Informative and Educational.Can't get much more than that packed into a book.Not a How-To book but if you dabble in the arts this is one wonderful What not to Do guide that will enhance your product and safety.0 of 0 people found the following review helpful. Five StarsBy Amanda DziadulReally like this book.

More Mountain Spirits is an expansion of its predecessor Mountain Spirits, but it's also a treasure all its own. Recipes for all kinds of spirits are included: brandy, wine, and beer made from every fruit or vegetable you can think of, ranging from blackberry brandy to tomato beer to rhubarb wine. Of course, recipes for corn whiskey and real apple cider are included, too. You'll also meet more colorful characters - those who were making, transporting, and selling spirits, as well as those who were tracking and arresting them. There's also a 36-page, step-by-step illustrated guide to building a copper pot still!

"[More Mountain Spirits] centers on the individual persons throughout the mountain regions [who] share their tales about a simpler lifestyle and bold occupation...All had their own story of moonshine to tell, and Dabney relates their conversations complete with all the color and humor of mountain talk." --Donna Epsy, Cobb County Times  
"This 200 pages of excellent pictures and cold hard facts about whiskey and whiskey people, mountains, revenuers, and county sheriffs is the best thing I've read lately. As we say up here in the mountains, this book is a dandy." --Jimmy Townsend, Atlanta Journal-Constitution  
"More Mountain Spirits is a sort of Foxfire book on moonshining, complete with recipes. [But] the best part is right at the front: a free-wheeling interview with Simmie Free, a genuine American character." --Jerry Bledsoe, Charlotte Observer
