This beautiful little book features more than 25 indulgent recipes, gathered together to help you honor and celebrate mothers everywhere. These recipes will be appreciated on Mother's Day in particular, but can be used time and time again to create home-baked treats the whole family can enjoy. Pretty-as-a-picture bakes include muffins (perfect for a breakfast tray) and cupcakes to French macarons and indulgent layer cakes, ideal for serving as the centerpiece at a celebratory afternoon tea party. Featuring tried and tested recipes that use readily available ingredients, Happy Mother's Day! is the perfect gift for Mom's special day and would make a valued addition to any home baker's bookshelf.
