I have been baking as a hobby for over a decade now, and this cookbook is what got me started. After receiving as gift one year, I decided to make some chocolate chip cookies - which were IMMENSELY well-received at my school. I kept it up with different recipes, and before I knew it I had developed a reputation formy baking skills - with this book as my secret weapon. ;) I will always be thankful to Mrs. Fields!To this day, the chocolate chip cookie recipe is one of my top 3 of all time.Protip - the Chocolate Silk Hazelnut pie recipe in here is TO DIE FOR.0 of 0 people found the following review helpful. thanksBy turtle123Lots of good cookie recipe choices.Look forward to trying many of them.Thanks for promptly sending the book.It was in great condition.1 of 1 people found the following review helpful.
